

The screenshot displays the MuseScore 3 interface. At the top, the menu bar includes File, Edit, View, Add, Format, Tools, Plugins, and Help. Below the menu bar is a toolbar with icons for various functions, a zoom level of 100%, and a Page View dropdown. The main workspace shows a score titled "Savior" with multiple staves for different instruments and voices. A red box highlights a specific area of the score with the text "All these selections are very small in this version." To the right, the Master Palette is open, listing various musical symbols and their categories. The "About MuseScore" dialog is also visible, providing version information and contact details.
