

Musescore EDIT>>INSTRUMENTS

When adding an instrument to a score, you go to **EDIT>>INSTRUMENTS**, select an instrument on the left side, such as “Bb Trumpet”, then click on the button “**ADD TO SCORE**” to move it to the right side of the window, so that the name “Bb Trumpet” displays on the right-hand side of the window with the other instruments in the score.

Question: How do you change the name “Bb Trumpet” to “Trumpet” on the right hand side of the window?

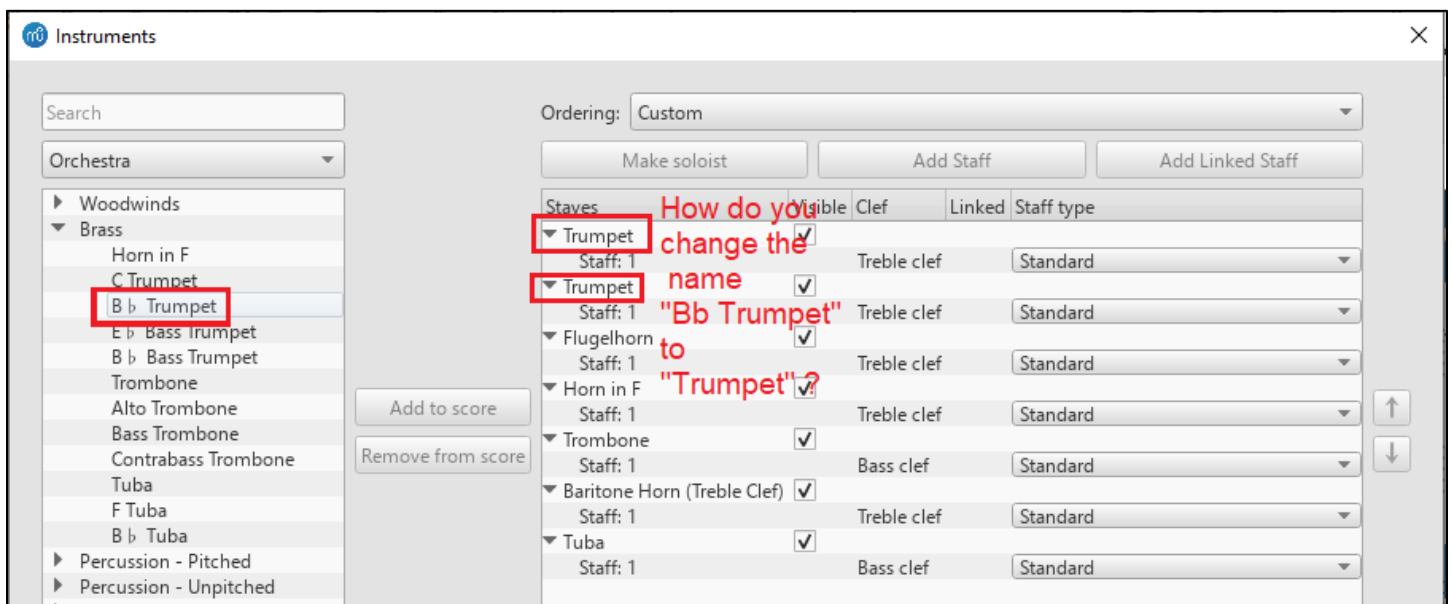

Example 1: - This example shows the instrument in the score displays “Bb Trumpet”. How do I get the instrument in the score to display as “Trumpet” instead of “Bb Trumpet” ?

The screenshot shows the 'Instruments' dialog box in Musescore. On the left, a tree view shows the 'Brass' section expanded, with 'Bb Trumpet' selected. On the right, a table lists the instruments in the score. The 'Bb Trumpet' instrument is highlighted in red, and its name is also highlighted in red. A red text box asks: 'How do you change the name "Bb Trumpet" to "Trumpet"?'.
