

# Lyrics Spacing Test

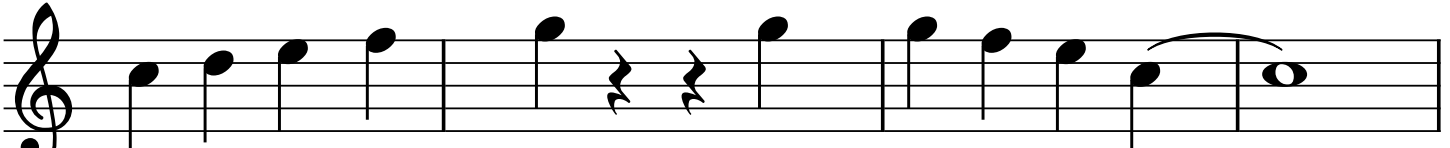

When there is a very long wooooooord,

5

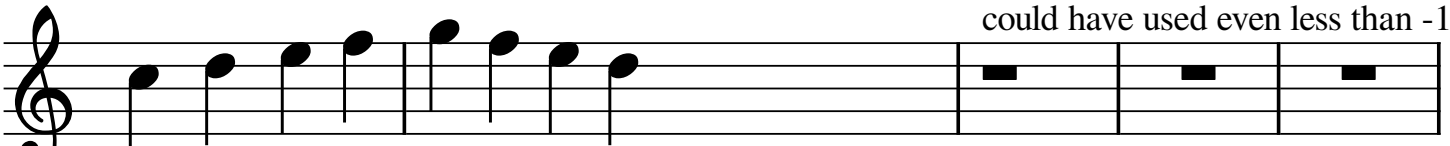

8

I'd like to save spaaace wheeere ev-er I can.---

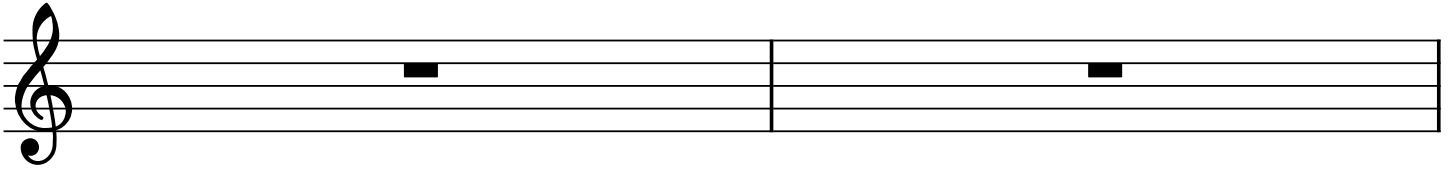

12

the bar line on start of measure 14  
could have used even less than -10 as

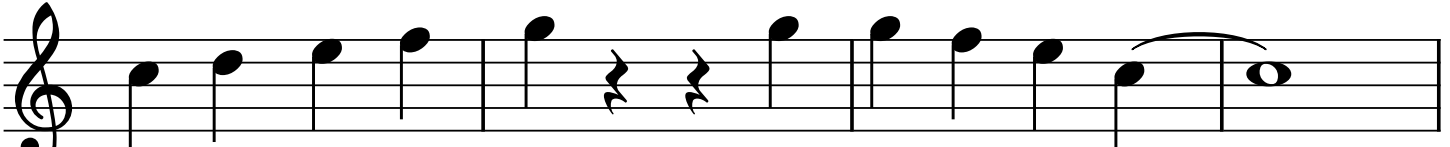

When there is ave-ry long wooooooord,

17

19

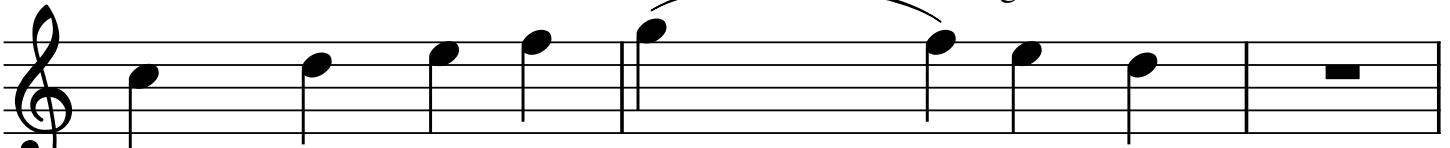

I'd like to save spaaace wheeere ev - er I can.---

For the g at the beginning of measure 24 I had to use a vertical X offset for notehead and stem together with a negative left distance

the f on beat 2 here could have used an negative offset

23

Thiiiiis is an - other eeeexamp - le  
of howww to save spaaace \_\_\_\_\_ in case...
