

8v und 8vb

Problem: über mehrere Notenzeilen, ohne dass jede Zeile mit 8v beginnt und mit einem Haken endet?

Lösung:

The image shows two systems of musical notation. The first system consists of three measures. The second system also consists of three measures. In the first measure of the second system, a brace labeled '8vb' is circled in red. At the end of the first system, a bracket is also circled in red, indicating the problem of not having a brace at the start of the second system and a bracket at the end of the first.

So soll es ausschauen:

The image shows the same two systems of musical notation as above, but with the red circles removed. The brace '8vb' is now correctly placed at the beginning of the first measure of the second system, and there is no bracket at the end of the first system.

Haken löschen: Rechts-Klick auf die Linie > Option „Eigenschaften Linie...“

Ende Haken: 0,00 Spatium

The screenshot shows the 'Eigenschaften Linie' (Line Properties) dialog box in MuseScore. The 'Linie' section shows 'Breite: 0.15sp', 'Liniestil: gestrichelt', and 'Farbe: black'. The 'diagonal' checkbox is unchecked. The 'Anfang' section has 'Text: 8vb' selected with 'Position: Links'. The 'Fortsetzung' section has 'Text: (8vb)' selected with 'Position: Links'. The 'Ende' section has 'Symb. Ped (Pedal)' selected, and the 'Haken' checkbox is checked with '0,00sp' entered in the spacing field. This 'Haken' section is circled in red. The 'OK' and 'Abbrechen' buttons are at the bottom.

8v / 8 vb löschen: Wieder Option „Eigenschaften Linie...“
Anfang Text: ausblenden
