Marching Season

Colum Sands

guitar capo 2

G ... C

Last night I a - woke with the thought in my
Then I says to my - self if mar - ching must
To build such a place would throw lots off the
There'd be sea - ting for tourists to sit and to
Ri - ot fa - cil - it - ies would be pro - vi -
Then mar - chers could march all the whole year a -

G ... C ... G

head That in - stead of four sea - sons we
be Let's do the thing right so the
dole Stones could be thrown in a me -
stare In our won - der - ful her - it - age
ded Dress - ing rooms could be hired mixed
round No lon - ger the trou - ble of march -

D ... D7 ... G

have five in - stead For some - where in - side of where
whole world can see We'll build a big sta - di - um
an - ing - ful role As buil - ders and ma - sons of
they'd have a share And a fiver a seate is - n't
or di - vi - ded And to real - ly pull in massive
ing through towns Safe in the sta - di - um the

C ... G ... C ... G

sum - mer should be is the sea - son of mar - ching for
cen - tra - ly placed with cir - cu - lar route where the
e - ve - ry creed build the big mar - ching sta - dium we
mon - ey in vain To tra - vel three cen - tur - ies
crowds we could hope For an - nu - al con - certs by the
glo - ri - ous past while the rest of us turn to the

Measures 15-19 lyrics:

mar - ching	must	be	And we're	mar - ching	mar - ching	mar - ching
mar - chers	can	pace			
so	bad - ly	need			
down	mem - 'ry	lane			
Queen and	the	Pope			
pre - sent	at	last
