

Electric Guitar

**T** 3  
**A** 4  
**B** 4  
2

The diagram shows a six-string guitar neck with fretting patterns for three strings: T (top), A (middle), and B (bottom). The fret numbers are: T (3, 2, 2, 3), A (4, 5, 5, 4), and B (4, 2, 0, 4). Curved lines above the fret numbers indicate bends or vibrato. A dot is placed on the T string at the first fret, and a bar is placed on the A string at the second fret. A thick horizontal line is drawn below the fret numbers, starting from the first fret and ending at the fourth fret.
